

Have you ever wondered how people in other parts of the world live?

What's their life like? What do they do?

Have you ever wanted to see Africa's countryside and wildlife?

Why Visit Uganda?

Join fellow travelers on a fourteen-day tour to the heart of Uganda. You'll have fun. You'll learn about distant people and about yourself. And your life will be changed a little – or a lot.

We'll take a boat ride up the Nile to the base of the mighty, frothy Murchison Falls, see the Source of the Nile and go on a game drive (safari) to see the abundant wildlife of Murchison Falls National Park. The boat ride to the base of the falls will leave you in awe as you get close-ups of the hippos, crocs, African birds and other wildlife along the Nile.

And you'll spend time with Aid Africa staff in the rural villages of Northern Uganda. There, you'll discover the strength of the human spirit. These hardworking and friendly people will teach you the value of your own life. It's great to meet people so different from us and find they are, in fact, just like us. It's an opportunity no other tour offers.

What You'll Do

Fourteen-Day Tour

- See the Source of the Nile
- Visit the Children at the Pearls of Africa Children's Home
- Visit Rural Villages with Aid Africa
- Help Out As You Like on Projects
- Learn about Life in a Developing Country
- Take a Boat Ride on the Nile to the Base of Murchison Falls
- See African Animals on a Game Drive

While you're in Gulu with Aid Africa, you'll travel daily to a rural village. You can interact with the people of the village. You may get muddy helping to drill a well, or just get to know the Acholi people. Our wonderful staff will be there to help and guide you.

Evenings are spent at nice restaurants, sharing your experiences with your fellow travelers. There will be time to shop in town. Perhaps you'll want a hand-made African shirt or a table cloth. There are lots of crafts available.
